...you think
you know
me?

"O Lord, you have searched me and you know me.
You know when I sit and when I rise; you perceive
my thoughts from afar."
~ Psalm 139:1-2

Get to Know

The Young Adult Conference is for those young adults (post high school to 20-somethings...emphasis on college and graduate school) in the Cumberland Presbyterian Church and Cumberland Presbyterian Church in America. You'll get to know others through the camp setting and lodging together.

Who Knows?

We are in a world where young adults often find themselves searching for meaningful and purposeful direction in their lives as they embark on this new journey into adulthood. There are so many influences - family, friends, church, society - that feel they "know" young adults and what they need in this new stage of life. During the conference we will explore these influences and discuss the intimate relationship that God desires to have with us through seminar style classes on Friday and Saturday.

You'll Know

The purpose of the Young Adult Conference is to reconnect the young adult population to God and the church. The conference will provide our young adults a time:
~ for worship, community, and fellowship;
~ to experience an open and loving community;
~ to examine where they are on their faith journey;
~ to seek out God's purpose and calling for their life.

We hope that you'll come out and join us this fall for a wonderful time of rest and renewal as we all discover how not only God fits in our lives but how we fit in the world that God gives us!
