"International Women's Work Trip"

The Need

CP Women's Ministry is excited to host an international work trip to Colombia, SA. This work trip will be made up of women from across the denomination, including those from countries outside the U.S. The goal is to have 20-25 women on this first-time ever work trip, including at least two women from countries outside the US such as Japan, Hong Kong, South Korea, and Brazil. Another goal is to include several younger women on the work trip, ranging in ages from 25-35. In order to achieve these goals, it will be necessary to provide stipends or scholarships.

There have been four work trips for women during the past 3 years. Over 50 women have participated on these work teams. These work trips have engaged many "non-traditional" Women's Ministry participants. In addition, these work trips have given many women a

mission trip experience in which they would not otherwise have had an opportunity to become engaged, because many were from small congregations without the resources to organize their own work trips.

The Women Heads of Household Jobs Program in Cali, Colombia was a Women's Ministry project in 2006-2007 and was the recipient of the 2007 Convention offering. A work trip to Cali, Colombia would make that ministry real and practical in the lives of women from the States. It would give women a chance to see how their financial contributions make a real difference in the lives of others. The timing is perfect to reinforce that financial offering.

Join with Women's Ministry to help fund this new, innovative ministry of missions and ministry.

Financial Data

Total Amount Needed for the Project	\$6,000.00
Amount Contributed to Date	\$1,719.35
Amount Needed from Second Mile	\$4,280.65

Duration:

October 2007 – July 2009

Contributions:

Send to the Missions Ministry Team.
