Youth Evangelism Conference Involving Youth in Sharing the Gospel

The Need

This Second Mile project will help to bring into reality the second Youth Evangelism Conference for the Cumberland Presbyterian Church. The first conference was held in December 2006 and involved over 200 young people and their leaders. Enthusiasm and interest was great for a similar event to be held in the future.

Nashville, Tennessee will be the place and December 2009 the date for that "future" event! The goal is to involve at least 350 young people and their leaders in meaningful worship, workshops and small groups, and practical outreach and evangelism activities. Challenging, youth-oriented speakers and leaders will teach and encourage participants. Evangelism is a priority for the CP denomination through the

next five years, and this youth conference will help to further that commitment and desire to share the good news of God's love and grace with the world. Young people will be given the opportunity to learn and practice ways in which to share that love with their friends, family, and strangers, thereby impacting the world for Christ.

This project needs your generous financial support in order to keep the registration fees lower so that entire youth groups can attend. The more young people that attend, the greater the impact upon the world. Thank you for your part in this sharing of the gospel.

**YEC is not just for young people.
YEC is for the whole kingdom of God**
