

**Child Care Registration Form
Be Still and Know... Conference
July 24-26, 2008
Brenthaven CPC, Brentwood, TN**

In an effort to include those women with children, childcare will be an important feature at the conference. A local, professional childcare service will be providing the staff. This is the same service that the Brenthaven Church uses each week for their worship services and activities. Each staff person has undergone drug testing and a background check. There will be two adults with the children at all times. Meals will be included with the childcare fee. Please fill out the information below and send in with your conference registration form.
