REPORT OF THE NOMINATING COMMITTEE

The Nominating Committee continues to need new and updated personnel blanks filed with the General Assembly Office. In order to fill the various positions available, the Committee must draw from the personnel forms on hand or the personal knowledge of the members of the Committee. Forms are kept on file for only three years in order to keep them current. Therefore, each commissioner is encouraged to recruit potential board/agency members within your respective presbytery.

The Committee is guided by a concern to give broad representation to the church and to conform to the General Regulations which give specific guidelines for some boards/agencies.

The Committee submits the following names for nomination.
