Dear Cumberland Presbyterians,

Attached to this e-mail is a PDF master copy of the bulletin insert for use on Denomination Day Sunday, February 1, 2015. Please make copies for your congregation. The PDF is designed so that when printed double-sided (duplexed) each sheet can be cut in half yielding two inserts. You may also access this resource at any time on the internet:

This provides an explanation of the project for the offering. Please forward your Denomination Day Offering to the archives at the address above.

The Foundation is grateful for each congregation's support over the past years. We hope this year will once again provide an opportunity for Cumberland Presbyterians to give additional support to help fulfill the mission of the Historical Foundation.

Blessings,

Susan Knight Gore
