

Cumberland Memorial Day Offering Supporting:

Presbyterian Federal Chaplaincies

Ministering to Those Who Serve Our Nation

This weekend, we commemorate all service members who have given their lives and/or who have died in military service; and we pray for Presbyterian Federal Chaplaincies —giving generously to support the ongoing ministries in the Federal Bureau of Prisons, the Veterans Affairs Hospitals, and the Department of Defense.

Presbyterian Federal Chaplaincies offers comprehensive support to chaplains and their families including: assessing suitability for vocational placements, career guidance, pastoral care, and transition assistance. All ministries are made possible through congregational benevolence, denominational partnership, and individual support worldwide. PFC provides annual training, coaching, crisis support, and ministerial resources (as well as professional aid to service members transitioning to civilian life). PFC reaches more young adults than any other ministry with over 1.4 million active duty and approximately 1.2 million reserve/Guard members.

I was a stranger and you welcomed me.
I was sick and you took care of me.
I was in prison and you visited me.

About Us

The PFC, representing four Presbyterian denominations, is recognized by the Federal Bureau of Prisons, Department of Defense and Veterans Affairs as the agency for recruiting, equipping, sustaining, and endorsing those who serve as chaplains within our Federal Departments, Agencies, and/or Auxiliaries, and the families who support them.

Join Us

Consider God's call and using your gifts as a chaplain in federal prisons, VA hospitals, and military branches. Serving as a chaplain in the federal government requires a commitment to ensuring that the rights of all personnel to practice the faith of their choosing, or to practice no faith at all, are respected and upheld —protecting the constitutional guarantee for “the free exercise of religion.”

Support Us

In addition to providing supervision and ecclesiastical endorsement for ministers, PFC provides assistance for denominational staff and committees to support their presbyteries and specialized ministers as well as resources for career guidance, pastoral care, training opportunities, and transition assistance for federal chaplains and their families. Please consider pledging continued prayers and support through a financial gift or bequest as part of your planned giving or a monthly donation.
